

Andy | Borgmann

Objective

To utilize my gifts in technology, a hard-work ethic, and a zeal for efficiency to help a business reach their maximum potential

Education

Azusa Pacific University | Azusa, CA • 91702

Bachelor of Arts in Biblical Studies, 2005*

Bachelor of Arts in Christian Ministries, 2005*

**Don't let the degrees fool you. My work experience is all in technology*

Homestead High School | Fort Wayne, IN • 46804

Class of 2001, Indiana Academic Honors

Work Experience

The Scheduling Institute | CTO • March 2011- Current

I am responsible for all the technology needs for a 140 employee, \$34 million dollar company - including web, audio, video, and network and server infrastructure. In 2012, we were named #7 in Georgia's Fastest Growing Companies.

The Allen Hunt Show | Executive Producer • May 2005 - May 2011

As an initial startup member, I was responsible for all the technology needs. This includes the 90,000+ page website, graphic design, audio producing, studio build out and support, and more. As well as responsibilities unrelated to technology.

Mount Pisgah UMC | Videographer • May 2005 - Oct 2007

I wrote, directed, and edited 50-75 videos a year for 7,000 member church.

Azusa Pacific Univ. | Student Multimedia Coordinator • Oct 2001 - May 2005

While a full-time student, I worked 30-40 hours a week building a multimedia department from the ground up responsible for all live video and graphics needs.

Allen County Clerk of Courts Office | File Clerk • Aug 1998 - Aug 2002

While on Summer and Christmas Break in high school and college, I processed tax warrants (increased efficiency 4-fold), sorted mail, and refiled court documents.

Fort Wayne Newspapers | Paperboy • Mar 1992 - Aug 1994

It is a bit ridiculous to include this, but little describes me better than when I was 10 years old I applied and interviewed for a job that I did responsibly for two years.
